Transportation Holiday Schedule (REVISED) **Effective February 13, 2015**

On February 13, 2015, a U.S. Federal Court ruled that the statutory Uniform Holiday schedule under Welfare and Institutions Code (“WIC”), Section 4692, which prohibited regional centers from funding work activity program, activity center, adult developmental center, behavior management program, social recreation program, adaptive skills trainer, infant development program, program support group (day service), socialization training program, client/parent support behavior intervention training program, community integration training program, community activities support service, creative arts program or for transporting consumers to programs on fourteen (14) holidays established by the Department of Developmental Services (“DDS”) was invalid and issued an injunction against enforcement of this statute.

On April 15, 2015, an action was filed to vacate the injunction issued by the U.S. Federal Court; however a decision has not yet been issued. Until such time a decision has been made on this matter, NLACRC is implementing its previously DDS approved holiday schedule that was in effect prior to July 27, 2009, as these holiday schedules are legally valid under the Lanterman Act. Prior to July 27, 2009, the following twelve (12) day holiday schedule was in effect at NLACRC and effective February 13, 2015 these same holidays will be implemented by NLACRC for all of its contract transportation services:
