Final Opportunity to Bill for Services provided in FY 2014-2015

The month of February 2017 will be the final opportunity you will have to bill North Los Angeles County Regional Center (NLACRC) for any unpaid services or claims provided during fiscal year 2014-2015 (July 1, 2014 through June 30, 2015). Therefore, all outstanding billing claims incurred during fiscal year 2014-2015 must be received by NLACRC on or before February 6, 2017 for review.

NLACRC will be unable to process any claims for fiscal year 2014-2015 that are received after February 06, 2017 for payment because NLACRC's fiscal year 2014-2015 contract with the State of California's Department of Developmental Services (DDS) will be closed. Therefore, it is important that any outstanding billing claims for fiscal year 2014-2015 be received by NLACRC on or before February 06, 2017 for review.

If you have any questions about your billing claim, please contact one of the following accounts payable staff, based on the first letter of your vendored name, to discuss any outstanding billing issues you may have.
