RE: **IRS Mileage Rate Decrease for In Home Respite Service Agency Respite Worker Travel Costs, Service Code 862**

On February 10, 2017, the Department of Developmental Services (“DDS”) notified the North Los Angeles County Regional Center (“NLACRC”) that effective January 1, 2017, the Department of Human Resources (“DHS”) decreased the vehicle mileage reimbursement rate for all State employees from \$0.54 per mile to \$0.535 per mile.

California Code of Regulations (“CCR”), Title 17, Section 58130(b), Supplemental Rate for Respite Worker Travel Costs states that “*Respite worker travel costs be authorized pursuant to minimum state of California travel reimbursement rates for State employees pursuant to WIC, Section 4690.2 (b)(6)*”.

Therefore, in accordance with DDS’s notice to NLACRC and pursuant to CCR, Title 17, Section 58130(b), effective January 1, 2017, the respite worker travel reimbursement rate will decrease from \$0.54 per mile to \$0.535 per mile for all mileage reimbursement services under service code 862, In-Home Respite Agency.
