Provider Quarterly Reporting Tool**

Consumer Name: _____

UCI: _____

CFS Provider Name: _____

Quarterly Reporting Period (M/YYYY to M/YYYY): _____

CFS Quarterly Completed by (Staff): _____

CFS Quarterly Report Completed on (Date): _____

CFS is for adults who live in the family home. The outcome of CFS should provide equitable access to services and supports which reduce disparity while flexibly tailoring the service to the consumer and their family through the multiple stages of life from transition through aging. CFS will be provided in a manner which is respectful of the culture, ethnicity and linguistic preferences of the consumer and their family. A CFS Plan of Action shall not replace or duplicate any regional center service coordination, generic service or other regional center funded service that the consumer and their family are receiving.

Directions:

The CFS provider is to update the progress only on items for which a CFS Plan of Action has been developed. Progress Report should include actions taken and percentage of progress toward overall goal.
