

Stop and Read: PROVIDERS ARE LISTED ON THE TABS BELOW

Per Department of Developmental Services (DDS) Directive guidance from 12/22/23, Independent Facilitation is able to be funded under service codes 024 (Person-Centered Plan (PCP)) and 099 (Self-Directed (SD)/Pre-Enrollment Transition Supports). **Please reference the DDS Directive link below for pertinent information regarding 024 and 099 services.** Freedom of choice is of utmost importance. It is necessary that the participant and/or their legal representative is the one who has chosen to utilize these services. They may choose to use none, one, or both services during their enrollment in the Self-Determination Program (SDP). It is recommended that potential providers be interviewed prior to obtaining services in order to ensure good fit.
